Re: CUSTOMER NOTICE OF CHANGE IN DSL SERVICES

Dear Valued Alliance Customer:

This is to inform you of the following changes to our tariff for DSL services. These changes address services for Alliance Communications Cooperative, Inc. (Alliance), including NECA Study Areas 351405, 361405, 391405, 391642, and 391657, and will be effective on July 1, 2017. This will impact all of our NECA Study Areas.

Effective July 1, 2017, Alliance will no longer offer DSL services under the NECA F.C.C. No. 5 Tariff. Alliance will offer ADSL and SDSL wireline broadband internet transmission services on a detariffed common carrier basis.

To learn more on the rates, terms and conditions either come by our corporate office during normal business hours located at:

Alliance Communications Cooperative, Inc.
612 Third Street

Or you may go to the following website for more information: <http://www.alliancecom.net>.

We believe with these new changes, Alliance continues to be competitive in the marketplace while providing high-speed Internet services for their communities.

Sincerely,

Ross Petrick,
General Manager
